COST: \$395.00 (Includes Training and Student Manual, One CPR Instructor Manual, 2 yr ASHI Instructor Fee and One CPR Instructor Video) **Payment must be received by the Monday prior to the start of the course.**

Refund/Cancellation policy: Due to the limited number of seats available for this course, **no refunds will be allowed.** We will charge a 25% cancellation fee and the remaining credit will be applied to our next BLS Instructor Course. To qualify for credit, you must notify us of your cancellation a minimum of 72 hours prior to the start of the course. No call/no show for any reason, will not be eligible for future credit.

Pre-Requisites: You must have a **current CPR Professional Level provider (student) card.** You can attend the CPR Instructor Course without this certification; however, instructor paperwork cannot be submitted until you provide proof of course completion. Proof of skills demonstration will be required during training.

This course will prepare you to teach basic CPR to those willing/needing to become CPR certified. Safety Services is an **American Safety & Health Institute BLS Training Center (ASHI)** with 380+ instructors nationwide. Upon completion of this Instructor Development Course (IDC) and completion of your ASHI Instructor Application, you will be authorized to order materials (student cards/books) and other support materials that can assist with your classes. This two day course is all you need to get started teaching BLS Courses. Once you complete the BLS Instructor Course, you will also have the ability, if desired, to offer many of the other courses that we currently offer such as First Aid (Adult and Child/Infant), HIV/AIDS-Infection control, Assisting with Self-Administered Medication, CNA Test Prep, Domestic Violence, Medical Errors, or any of the other 45 courses that we currently publish.

If you have any questions; please contact **Teresa Woodin** at our office at 813-855-1225 ext 712.
